Dodge Truck Interior Kits are an exact duplicate of original patterns supplied by our customers. We use a leather-grained ABS material that will not warp with heat or moisture, scratch or chip. Truck Cowl Panels and the Rear Cab Cover Panel Kit is the same for all years.

The door panel kit on the early trucks (48-50) are molded with the OEM Rib Pattern. The door panels on the later trucks (51-53) are a different shape.

Rear Cab Cover Kit
